“...1291 la Repubblica di Venezia decretò che le vetrerie fossero trasferite a Murano, dal momento che i forni dei laboratori erano spesso responsabili di disastrosi incendi...”.

Nasce così la storia e la leggenda dell'isola di vetro!

Murano diventa un paradiso di creatività, un'isola dove ogni attività concerne il vetro, si lega al vetro e di vetro vive.

Murano isola di Venezia, un'isola nell'isola.

Oggi come allora a Murano nella fornace di **la murrina** i maestri vetrai mescolano saggiamente tecniche e alchimie, abilità manuali e arte, soffiano e plasmano il vetro materia dalla consistenza aerea e tenace.

Nascono così i prodotti di **la murrina**, nel rispetto della tradizione e lo sguardo al futuro.

TRAN

S. Matthea

“...In 1291, the Venetian Republic, fearing the risk of fires and destruction of the city’s mostly wooden buildings, forced all the glassmakers to move their foundries to the Island of Murano”. Soon, the tiny Venetian Island became the Paradise of glass making industry. Nowadays, hand made single pieces, which consequently become exclusive and unique, are produced at **la murrina** historical glass factory...

...our collections combine the craftsmanship capacity of the masters with contemporary technological and innovated designs: alchemy, glass blowing, coloring materials, textures and art.

Every item is also engraved by hand as a guarantee of our authentic and high quality product - a trade mark that certifies glass products made in the island of Murano.

la murrina products: an original aesthetic research, respecting the tradition and looking forward to the future.
