LEUCOS®

ADORABILI LAMPADE

registered model

VOLTA is the new suspension of ITRE, architectural collection of Leucos.

Minimal design but excellent performances, **VOLTA** is a great lighting solution for modern homes or offices.

Available in twelve different combinations of colors and sizes, takes onboard the most updated technologies and features, including two patents.

VOLTA will be available shortly for shipping within a custom packaging, safe and precious.

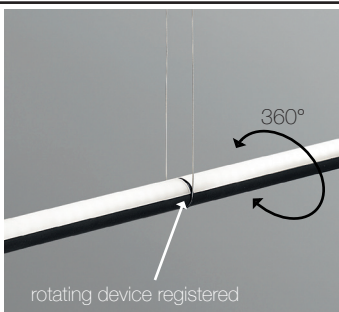

DESIGN

1. Available in 12 combinations:

- a· 3 lengths: 123 cm, 158 cm, 200 cm.
- b· 4 colors: anodized red, anodized aluminum, anodized black, white.

- 2. Single canopy, same color of the body.
- 3. Extruded aluminum, with steel bar for additional rigidity.
- 4. Diffuser in satin PPMA, to reproduce a nearly glass effect.
- 5. Wiring through steel cables only (low voltage).
- 6. Registered model.

PERFORMANCE

- 1. 360° rotating body to direct light.
- 2. Fixing and rotating system engineered and registered by LEUCOS.
- 3. Low voltage, non polarized.
(when installing no need to consider correct polarity).
- 4. 2700° K
- 5. CRI > 90
- 6. touch dimmer (5-100%) with memory function.
(every time the fixture is turned on, last selected dimmer level will be selected, even in case of black out).
- 7. length of cables adjustable on site (maximum 3 meters).

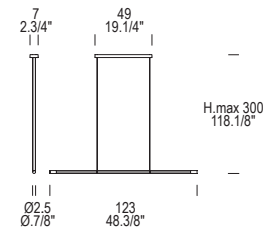

PACKAGING

- 1. Customized packaging: efficient, prestigious, captivating, innovative.
